

Due to all Ashaya Yoga merchandise being custom items that have been printed on demand per your selection, we cannot currently allow for returns or exchanges unless items from your order are misprinted, damaged, or defective. Please feel free to reach out to us at info@ashayayoga.com for any questions you might have while shopping.

In addition, because of the high cost of international shipping, we can only ship hard copy manuals, CDs, and Tantra Yoga to US addresses.
